

TV Family Feud Questions

Let's play Family Feud!

- 1) Choose one question that you want to ask everyone. You can make your own question if you want.
- 2) Ask everyone in the class your question. Write down the answers.
- 3) After you collect this information, play a game and try to guess the most popular answers to the questions.
 - Make four or five groups in class
 - One person from one group reads their question and the other groups guess what they think will be the most popular answer.
 - The guessing groups get point for each person who answered the same answer.
 - The winner is the group with the most points!
